

DONATIONS FOR OUR 20TH ANNIVERSARY

The Pastel Society of Eastern Canada (PSEC) is a non-profit organization designed to:

Promote artistic activities, as well as provide knowledge and appreciation for the arts in the pastel medium. We hold exhibitions, workshops, conferences and publications, both for members and the general public, for the purpose of education and to increase an awareness of the pastel medium, and to encourage artistic development.

Did you know that this year PSEC will be celebrating its 20th anniversary? We are therefore seeking donations to help us achieve a more than significant anniversary exhibition this year, which will include

- A color catalogue of the works selected for the International Exhibition, *The Pastellists* of the 20th Anniversary of PSEC
- A tribute to one great Canadian artist and Master pastellist
- The presentation of a wall of works by American Master Pastellists who have given workshops to PSEC members throughout the years
- Special events surrounding the opening of the event and throughout the days of the exhibition.

We wish to thank you for your continued support throughout the years, for celebrating the joy of art with us and for contributing to the growth of a wonderful society which is PSEC!
