## **PSEC POLICY AND PROCEDURES**

### **SELECTION OF JUDGES FOR THE AWARDS**

**JURIED EXHIBITION "LES PASTELLISTES" AND  
MEMBERS' CHOICE EXHIBITION "PASTEL TOUJOURS"**

#### **POLICY**

As part of its two annual exhibitions, several prizes are awarded in recognition of the excellence demonstrated in the technique of dry pastel. Therefore, PSEC recruits 2 (two) to 3 (three) **judges for the Awards** (preferably 3) in order to form a jury which will determine the award-winning artworks.

#### **PROCEDURES**

**The following criteria are considered when selecting the judges for the awards:**

- Applicants must not have acted as judges for PSEC over the past two years;
- They are recognized as experts in visual arts, for example: artists, art teachers, gallery owners;
- They are preferably all well acquainted with the pastel medium.
- If at all possible, they shall not have close ties with the PSEC members participating in the show;
- We must consider the distance the judges have to travel since they volunteer their time. However, they do receive a gift from PSEC in recognition of their services. (ex.: a PSEC product, art book, gift certificate, etc.).
