PSEC POLICY AND PROCEDURES

REGULAR MEMBERS AND SIGNATURE MEMBERS

POLICY

Anyone may become a **regular member** of PSEC by paying the annual membership fee¹. A regular member reaches **signature member** status through his/her selection in the juried exhibition "**Les Pastellistes**".

PROCEDURES

Becoming a Regular Member of PSEC:

To become a regular member of PSEC, you must go to the PSEC website under "Become a member". It is important to follow the instructions.

Becoming a Signature Member:

A regular member can reach the status of signature member when he/she has had at least one work accepted in three PSEC juried exhibitions.

A signature member certificate will be presented to the artist during the award ceremony of his/her third show. Signature member status confers the right to add the letters PSEC next to the signature on his/her pastel painting.

Furthermore, signature members, along with the PSEC Masters, are invited every two years to participate in the selection of the paintings for the national biennial exhibition "**Les Pastellistes**"².
